Mr Frank T. Guitlman
1118 W. 3rd St.
Chester Pa.

Dear Mr Guitlman:

I am writing to enclose the check I agreed to send you in Philadelphia the other night. I am sorry things happened like they did, but it was of course just another war casualty. I hope if we operate from now on, we will be able to get another bus. This one has cost us almost as much as a new one in repairs etc.

This check is being sent to defray any expenses you incurred, and in order to continue our friendly relations.

I hope you had a successful season, and next year will be even better.

Very Truly Yours
